PREFACE

Pakistan Public Administration Research Centre (PPARC), Management Services Wing of the Establishment Division has been maintaining statistical record in respect of employees of the Federal Government since 1966, by conducting relevant census on periodical basis. The current volume of the Annual Statistical Bulletin of the Federal Government Employees is the 17th of this data series.

2. The analysis of data shows that size of Federal Government in respect of sanctioned and actual strength of its employees was 500,382 and 444,521 respectively. Out of total sanctioned strength 88.84% posts were filled-in, whereas 11.16% posts remained vacant in various Ministries/Divisions and organizations during the year 2013-14. The distribution of actual strength shows that a small share of 5.09% was occupied by the BPS 17-22 officers, whereas 94.91% was occupied by BPS 1-16 employees, which is a very large share in the total staff strength.

3. The current Annual Statistical Bulletin (2013-14) covers division/office-wise, domicile/gender-wise, and religion wise along with data of occupational groups sanctioned and actual strength in respect of all categories of Federal Government employees. The publication has been prepared on the basis of latest available data provided by various Ministries/Divisions/Departments/Offices of the Federal Government, on the prescribed format designed by PPARC.

4. I would like to thank, all focal persons of various Ministries/Divisions for their timely and valuable support and data which enabled PPARC to complete the bulletin in time. The dedicated efforts made by officers and staff of PPARC in collection, compilation and analysis of data are also appreciated.
